David Michael Lieb, AIA, Principal and Founder, offers over 18 years of diverse architectural practice grounded in community based Renovation and adaptive re-use projects; multi-family housing; assisted living and Alzheimer care residences; retail stores, retail power centers and specialty stores; project management; code/accessibility consulting for public works projects; and ADA expert witness consulting for civil actions. Mr. Lieb is a registered architect in the Commonwealth of Massachusetts, State of Georgia, State of Missouri; and is NCARB Certified. He has worked on projects in 14 U.S. States and is fluent with all major building and accessibility codes and guidelines including ADA, Fair Housing, and the MAAB. In addition to architectural practice, Mr. Lieb has held adjunct and full-time academic appointments at several colleges and universities, and is an exhibiting fine artist.

J. Hunter Fleming, AIA, Assoc. Principal, offers over 16 years of professional practice specializing in public works projects, institutional and commercial projects with a community base. Mr. Fleming is a registered architect in the State of Tennessee, State of Arkansas, State of Missouri, and the State of Mississippi; and is NCARB Certified. In addition to architectural practice, Mr. Fleming has held adjunct appointments at several colleges and universities, and is an exhibiting fine artist.

Mr. Fleming oversees operations at LIEBSTUDIOS' Memphis, TN offices.
